**Temple encroaches 5ft of the road, disrupting public transport
Bengaluru NavaNirmana Party (BNP) demands action**

An Anjaneya temple at the Corporation bank circle in Kudlu, ward no. 243, has been built by encroaching around 5 ft of the road area causing disruption in public transport. Bengaluru NavaNirmana party (BNP) demands the BBMP clear the encroachments immediately.

Residents are of the view that this temple was built in 2014 when there was a proposal to widen the road to ease the traffic. Initially, the temple was a simple structure however, now it has a shed, an electric pole, and granites to make it a permanent structure in the area. BMTC buses and other big vehicles find it difficult to turn at this junction.

A complaint regarding the same was also raised with the BBMP on the second of December, 2022. However, no action has been taken so far.
